HELP RAISE MONEY FOR OUR SCHOOL!

We're collecting CD Albums & DVDs so we can turn them into CASH for our School!

The money we're raising is going to help towards new teaching equipment, sports gear or even fun days out!

Not only are we raising money for our School, but by recycling our old CDs and DVDs we're all playing our part in helping the environment by stopping these items going into landfill.

We have a Collection Box already, but we need your help if we want to fill it and raise cash for the School!

This campaign is totally FREE to join, FREE to help out with and it's really easy to do!

Just run round the house collecting up your old and unwanted CD Albums and DVDs, bring them in to School and drop them in our Collection Box!

With everyone's help we hope we can fill our Collection Box as soon as possible and start raising cash for our School!

HERE'S HOW WE NEED YOU TO HELP!

1. Run round the house and collect up all those old CD Albums and DVDs that are taking up space.
2. Bring them into School.
3. Drop them in our Collection Box.
4. Job done!

THERE ARE A FEW THINGS WE CAN'T ACCEPT IN OUR COLLECTION:

- All CD albums & DVDs need to have a barcode and all of the original Artwork.
- We can't collect EPs, Singles or Vinyl.
- We can't collect copied CDs or promotional CDs from magazines or newspapers.
